Smart Steps for Shoe Care

HOW TO PROTECT

Leather Even before wearing, spray on a stain guard (we like Leather Spa's Shoe Protector, \$8; 212-527-9944): You don't want to seal in dirt or marks. Remember to spray the soles too!

Suede Clean frequently with a suede brush; it'll keep the material looking new and get rid of any dirt under the surface.

Stilettos To make a pair really last, reinforce soles and heels right after buying. Store with cedar shoe trees. They smell great, absorb moisture, and help hold shape.

CUSHIONING YOUR FOOT

Buy a half size up if your feet are prone to swelling or
